

Hi I'm Megan Eckhardt. I'm 11 years old in the 6 grade at Smithson Valley Middle School. I show lambs in the Sherwood 4-H club and I'm Historian of our club. I will participate in the Comal County Jr. Livestock Show in New Braunfels. On February 24-26 we will have the Livestock shows and on the 27 we will have our Livestock auction. This year every Livestock showman has worked very hard for this show (the participants of Comal County). We at Comal County would really appreciate a contribution for you to come to look at the quality of our animals and maybe participate in our auction.
