

WORKING THE CONCESSION STAND

Each FFA Chapter and 4-H will need to provide people to work in the concession stand during the Youth Show. I have attached sign up sheets to be filled in by volunteers. These sheets will need to be brought to the concession stand and posted by Wednesday, February 24, 2010. The concession stand will be in operation Wednesday afternoon starting at 12:00pm.

Each FFA Chapter and 4-H should compile a single roster for the shifts that are assigned to them. Contact your Ag Teacher or Extension Agent to get signed up for the shift you can work.

In scheduling workers, every effort should be made to use people who do not have children showing during the scheduled time. For example: If the hog show is going on, lamb or goat parents should schedule to work. **THERE SHOULD BE A MINIMUM OF 4-5 ADULTS IN THE CONCESSION STAND AT ALL TIMES.** High school students are required to work in the concession stand in order to apply for scholarships. It works best if all volunteers work their full shift and not split the shift. **IF FOR ANY REASON YOU CANNOT WORK YOUR SHIFT, PLEASE ARRANGE FOR SOMEONE TO WORK IN YOUR PLACE.**

It is imperative that everyone report for their scheduled time. Workers should report 15 minutes early in order to learn what they need to do and watch how things are done. Please pass on all information to the new shift before leaving.

Every effort has been made to make this as fair as possible. If your group is closing the stand at night, all dishes will need to be washed, money turning in, and doors/windows locked. Washing prior to closing will save time at the end. Some food items will need to be put in the cooler.

REMEMBER: The money generated by the concession stand is used for scholarships. Each FFA Chapter and 4-H receives an equal amount of the designated funds. It is only fair that each group provide workers and all show up.

Thanks for your help. If you need any further information, please contact me at 830.660.5379.
