

To Whom It May Concern:

Thank you for taking the time to read my daughter's letter. I also have a nine year old son showing lambs for his first year also. All the kids of Comal county 4-H and FFA work hard all year with their projects to participate and compete in their county show. What the kids learn from their projects throughout the year is priceless. But it is the auction money that is raised that helps to fund their next year's project and go towards their future college expenses. Your support would be appreciated through your presence at our livestock auction on Saturday, February 27 or through a donation to the auction.

Your money can be designated as an "add on" to one child's project or one group project, like Lambs, Steers, Goats, Rabbits, Poultry, Hogs or even be spread across all categories. If you are unable to personally attend the sale/auction to purchase a project, your money would be used as an "add on" and your company name will be announced immediately following the purchase of that project for recognition. There are individuals that have formed groups to pool money from donations to purchase projects and will spend the money as designated. For information on some of these groups call Liz Mooney at 830-608-3184.

For a better explanation of how you can donate or come and be a part of our auction to help the youth of Comal County, give me a call at 210-410-6630 or call one of our auction committee members, Liz Mooney at 830-608-3184.

Make payments to: Comal County Junior Livestock Show Association.
Address: PO Box 311976, New Braunfels, TX 78131-1976

The Auction is held at the Comal County Fair Grounds in New Braunfels starting at 10:00 am on February 27 2010.

For information about the Comal County Junior Livestock Show Association visit the web site at www.ccjlsa.com.

Sincerely,

Allen Eckhardt
